

CJSXLH20

JumPack™ XL H₂O

Jump Starter ⚡ Power Pack

Jump start your car, truck, RV or marine outboard engine and charge your mobile devices in all weather conditions

The latest in the Cobra JumPack™ series of portable power and jump starter line, the Cobra CJSXLH2O is the most versatile and powerful jump pack yet. Designed to jumpstart marine outboard engines, large V8 gasoline and diesel engines, the new JumPack H2O is UL listed and will keep you going in all weather conditions. The rugged and waterproof design makes this the perfect portable power device for any trip, on the road, off-road or on the water.

FEATURES:

- Jump start your car, truck, RV, marine outboard engine and charge your mobile devices safely in all weather conditions
- 12000 mAh, 44.4 Wh UL registered lithium-cobalt battery. Holds a charge longer and is smaller than traditional jumpstarters
- 400 Amp Starting Current, 600 Amp Peak Current. Jump starts gasoline and diesel vehicles
- Two Jumpstart Options:
 - Direct from the battery
 - From the vehicle's 12V port (CLP)
- Charges mobile devices multiple times
- Dual 3 Amp USB Ports for rapid charging of two portable devices simultaneously
- Built-in LED flashlight - Super-bright Flashlight, Strobe and SOS LED
- UL2743 Certified Design
- Includes CJSXLH2O JumPack H2O, Direct-to-Battery Jumper Cables with Clamps, 12 Volt Charger Cable, AC Charge Adapter, and Neoprene Carry Case
